NOTES: Data for noninstitutionalized Medicare beneficiaries. Insurance categories are mutually exclusive. Persons with more than one type of coverage are categorized according to the order in which the health insurance categories appear in the table. See Appendix I, Medicare Current Beneficiary Survey (MCBS). Data for additional years are available. See the Excel spreadsheet on the *Health*, *United States* website at: http://www.cdc.gov/nchs/hus.htm.

SOURCE: Centers for Medicare & Medicaid Services, Medicare Current Beneficiary Survey, Access to Care file. See Appendix I, Medicare Current Beneficiary Survey (MCBS).

Health, United States, 2016 Trend Tables 347

^{- - -} Data not available.

¹ Enrollee has a Medicare Advantage plan regardless of other insurance. Medicare Advantage plans include health maintenance organizations, preferred provider organizations, private fee-for-service plans, special needs plans, and Medicare medical savings account plans. Starting with 2013 data, the term Medicare Risk Health Maintenance Organization was replaced with Medicare Advantage plan. See Appendix II, Managed care.

²Enrolled in Medicaid and not enrolled in a Medicare Advantage plan. See Appendix II, Managed care.

³ Percent of poverty level is based on family income and family size and composition using U.S. Census Bureau poverty thresholds. See Appendix II, Family income; Poverty.

⁴Private İnsurance plans purchased through employers (own, current, or former employer, family business, union, or former employer or union of spouse) and not enrolled in a Medicare Advantage plan or Medicaid.

⁵ Supplemental insurance purchased privately or through organizations such as American Association of Retired Persons or professional organizations, and not enrolled in a Medicare Advantage plan, Medicaid, or employer-sponsored plan.

⁶ Medicare fee-for-service only or other public plans (except Medicaid).
